Muhammad Saad

24 | Cybersecurity Student | Python Developer | Ethical Hacking & Penetration Testing | Web & Network Security | QUEST Nawabshah Nawabshah, Sindh, Pakistan

Summary

I'm a passionate Cybersecurity Student and Technology Innovator dedicated to securing digital systems and building smarter, safer technologies. My journey blends hands-on technical skills with continuous learning across cybersecurity, ethical hacking, and software development.

I hold certifications in Cybersecurity Essentials (IBM) and Foundations of Cybersecurity, and I'm currently enhancing my expertise through the PIPT Cybersecurity & Ethical Hacking program organized by Sukkur IBA at QUEST Nawabshah.

With experience in Python programming, computer hardware, and web development, I aim to bridge the gap between software and security — protecting what matters most in the digital world.

Interests: Ethical Hacking | Network Security | Penetration Testing | Cyber Defense | AI & Automation

Goal: To contribute to global cybersecurity initiatives and become a leading ethical hacker and digital security expert.

Experience

Quaid-e-Awam University of Engineering, Sciences and Technology
Nawabshah
Cyber Security Student
October 2024 - Present (1 year 7 months)
